

第十二届国际电化学阻抗谱会议  
12th International Symposium on EIS

July 3-8, 2022 Beijing, P.R.China

## EIS 2022 - CALL FOR PAPERS

**--- Deadline extended to Feb. 28 2022 at the latest**

Dear Colleagues,

Today we want to wish you a Happy New Year and all the best wishes for 2022.

We would like to inform you that we decided to extend the deadline for the submission of paper abstracts for EIS 2022 to Feb. 28, 2022 at the latest.

Please note the following updated key dates:

|                |  |
|----------------|--|
| Feb 28, 2022   | Extended deadline of abstract submission on line   |
| March 20, 2022 | Notification of acceptance to authors by e-mail  |
| April 20, 2022 | Deadline of early registration fees on line  |
| May 25, 2022   | Registration deadline for presentation(s) on line<br>(Presentations without a registered speaker or Poster presenter will be cancelled and removed from the program on April 30, 2022) |
| July 3, 2022   | Registration on site for EIS2022   |
| July 4-8, 2022 | EIS 2022 in Beijing  |

Details on the online submission of papers/abstracts are available on the website ([www.eis2022.com](http://www.eis2022.com)).

We are looking forward to your contribution and participation at EIS 2022 from July 3-8, 2022 in Beijing, China.

Best wishes,

EIS 2022 secretariat
